SUZIE

"I've yet to meet a guy who is capable of satisfying my needs in between the sheets," Suzie confessed to us. "For now I'll just have to keep bashing away at my wet slot with my favourite purple alien dildo. I bet your readers would love to replace one of my toys with their cocks. I'll only accept offers from guys with giant dicks though!"

SPA SWAP

My girlfriend Jo and I just went to a local swingers club for the first time.

Jo shaved her pussy and wore a black, tight-fitting latex dress with a low cut halter neck and short miniskirt. She wore no bra or knickers.

We entered the club, bought drinks at the bar, and had a wander round. In the main lounge a guy was sitting on a couch with only a towel wrapped round him.

Jo said that she thought he was very good looking, with a great body, and that she fancied talking to him, so we sat down.

Jo asked him his name, which was Lee, and asked him if he went to a gym, because she thought he had a really great body.

Lee told Jo that she looked great too, and that her tits were amazing, and that he could see her stiff nipples through her dress. Jo opened her top, showing him both her tits, and asked Lee if he'd like her to get up and do a lap dance for him.

He said he would love the idea. Jo told Lee to open his legs and she stood in between them. She started to dance sexily, moving slowly and stripping to show him one nipple and then both.

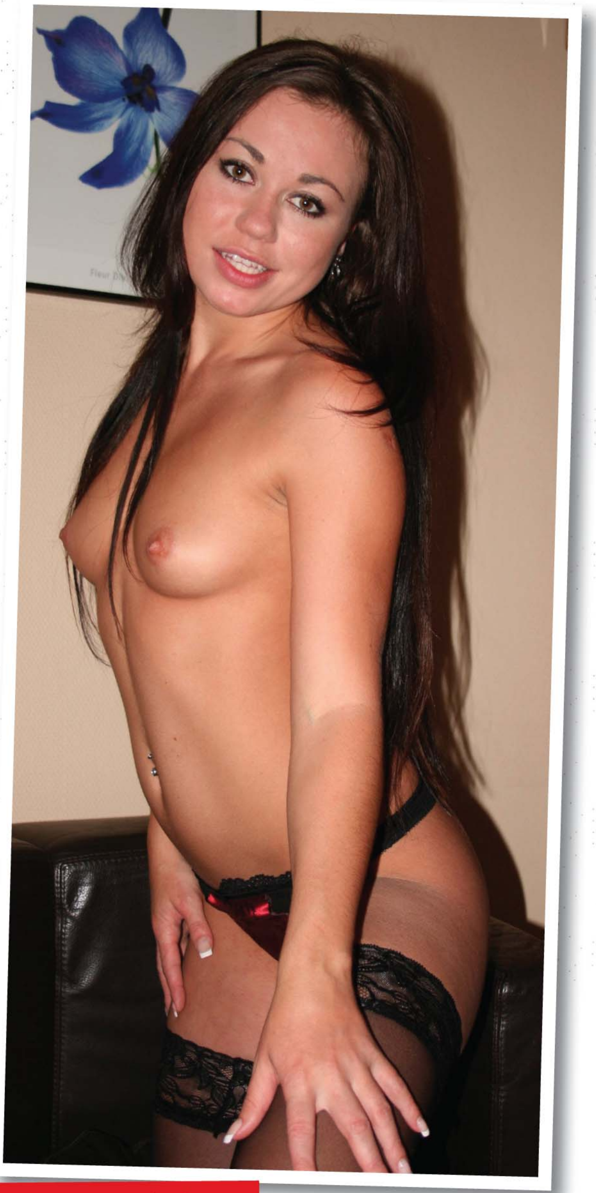
Following on, she got one boob out and then both. Her top was now around her waist. Jo went on to lift up her dress and flash her pussy.

After a few minutes, Jo took off her dress completely and stood there, absolutely naked. She danced in front of Lee and opened her legs, spreading her pussy lips and fingering herself.

Jo started to push her nipples into Lee's mouth and asked him to lick and suck them, which he did. Lee said that Jo must be getting turned on, because her nipples were standing out like bullets. She said that she was really turned on, and suggested that Lee should feel between her legs to see how wet she was.

Lee reached down and started to feel her pussy. He said that it was soaking. Then Lee said that his cock was really stiff too, and Jo unwrapped his

> "Finally, after teasing him for a minute, she squatted down and his cock entered her"



towel and freed his large cock. Then she knelt down in front of him and started to suck on his cock.

After licking his cock like it was a lollipop, Jo climbed onto the couch with her feet either side of his legs. She grabbed hold of his cock and rubbed it up and down her wet pussy slit. Finally, after teasing him like this for a minute, she squatted down and his cock entered her. She rode him like a woman possessed, and it wasn't long before they came to a noisy, messy climax.

After pulling herself off Lee, Jo went to the ladies to freshen up and get changed. When she came out she had put on a bikini, and suggested that we should go to the spa bath the club had. We headed over there, followed by about four guys who had been watching Jo's performance with Lee intently. The guys stripped off and entered the water just after us. They surrounded her and she smiled sweetly. One guy leaned in and started to kiss her, and when she didn't object, the other guys started to touch her up.

First Jo's bikini top was removed, quickly followed by her bikini bottoms. She was wanking off two of the guys and being fingered by a third as the fourth felt her tits. The guys lifted Jo out of the spa bath and laid her down at the side on her back. Then they all knelt around her.

One guy was licking her pussy, one had his cock in her mouth, and the other two had grabbed hold of a tit each. They all took it in turns to get a blow job and to fuck her pussy. They each came quickly, and then kissed her and walked away.

I went over and asked her if she'd enjoyed herself. "Yes," she said, "but I'm ready to go home now." We headed off, only stopping in a quiet lane on the way home so that I could fuck her.

Derek, Liverpool.

NICE RIDE

She's beautiful! I wouldn't mind a ride myself!" I grinned to the grizzled biker who was picking up his bike from the garage I own.

Turning around, I removed my overalls, letting him glimpse my round arse as I bent over, before seductively removing my undies. Naked, I started to unzip his jeans.

His dick sprang free. With the bike still purring I swung one leg over and stood just above his cock, rubbing the head against my wet pussy. I placed a hand on either of his shoulders and sat down, taking his cock fromhead to base in one movement. I groaned as I felt it inside of me, then started sliding up and down on it, determined to use the vibrating engine and this thick cock for my own pleasure! I let him suck on my hard nipples as I continued fucking him.

I stood up and turned around, my hands on the handle bars and my pussy sliding down his huge shaft again, this time my clit picking up the vibrations from the bike even more.

I groaned loudly as I orgasmed, my arse bouncing up and down harder than ever before, he started cumming inside of me, my cunt filling up with his hot seed.

Since then, I've seen him at least once a month for our regular "services"!

Debs, Herts.

It’s not wonder men feel so intimated by the opposite sex, especially when we have to compete with the magical powers of a rampant rabbit dildo! “I don’t want to sound mean, but I’ve never had a man, or a woman for that matter, give me the kind of orgasm that my favourite dildo can give me.” Megan revealed to us. “By the time I’ve finished getting myself off I’ll be sitting in a pool of juice and cum. Only then am I ready to feel some real flesh inside me.”

If Lotty is looking rather chuffed with herself in these photos, that's because she was! "What a thrill it is knowing that all of these men and women will be looking at my tits, arse and twat and jerking or frigging themselves off over me. Usually it takes a bit of time for me to cum, but during the photo shoot I must have cum four or five times just from touching myself, I was that horny!"

Whipping up something nice, and dropping her knickers in the kitchen, is the delightful and ever so dirty Cassandra. "I love to lay on a feast for my fella after he's had a hard day at work," Cassandra tells us with a cheeky grin on her face. "For the first course I'll spread my legs and let him devour my tasty twat, then he likes to have a play with my bangers. And finally I'll let him smash my gash!"

THE JOYS OF US POLITICS

- Donald Trump is like if Homer Simpson inherited all of Mr. Burns' money.

- Hillary Clinton's daughter gave birth recently. Hillary said she was really excited until she remembered you have to be 18 to vote.

- TRUMP: I just killed & ate a homeless man.

TRUMP: This sort of political correctness is what's ruining our country.

- In a recent interview, Hillary Clinton said that one of the jobs that prepared her to be president was sliming fish in Alaska. As opposed to Bill, who learnt by catching crabs in Cancun.

Pain is love

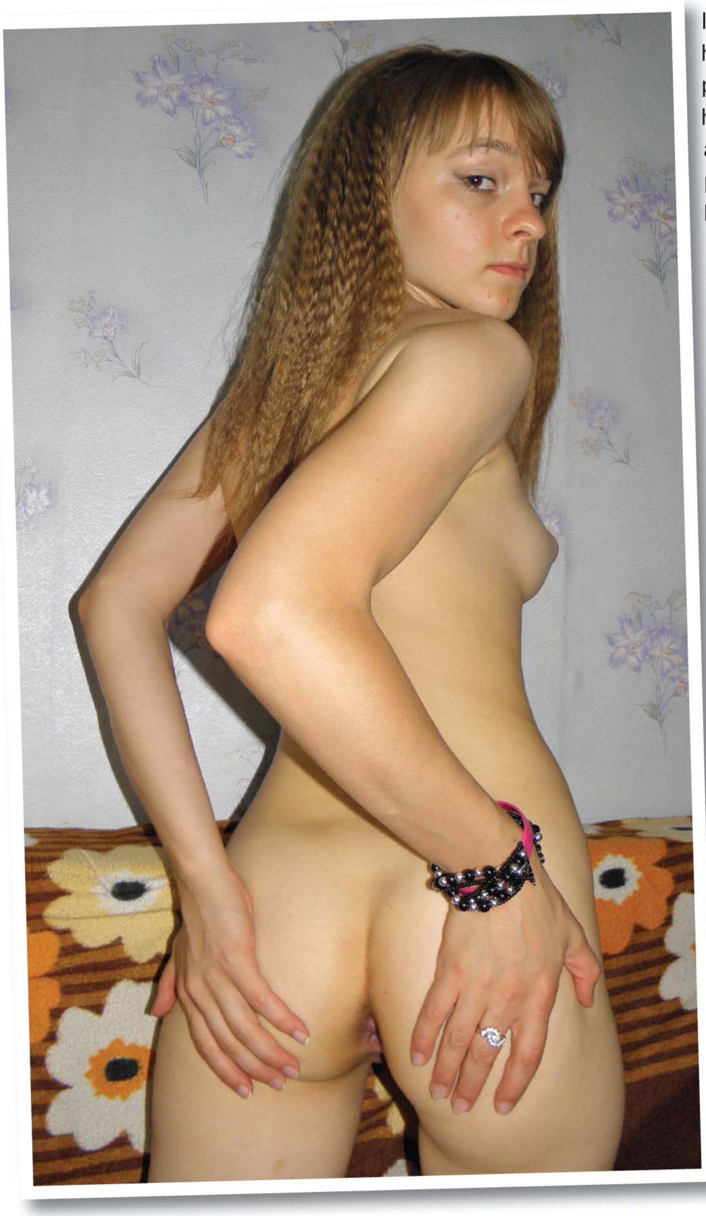
It's traditional to call girls with soft, plump, sexy feeling bodies "cuddly", but cuddles are the last thing on Ashley's one track mind. "I fantasise about sex with strangers all the time. Every man I pass on the street I'm checking out, thinking, I wonder if he would fuck me silly?" Ashley lives in Swansea if anyone's keen on accidently bumping into her outside a bar on a Saturday night!

TRUE CON

WHAT A BANGING NIGHT



My boyfriend Michael and I have very high sex drives, so we both have several ‘fuck buddies’ who understand our arrangement.

So when Michael introduced me to his best friend Peter, saying “Now you two can keep each other company of an evening now and then,” I knew what he was hinting at. And I liked it!

So the next time he was on nights, I invited Peter over for a drink. I decided I was feeling bold enough to suggest watching porn too.

I sat on his lap and kissed him. He gripped my hips and pulled me down hard on to his pelvis. He undid his flies and released a decent sized prick and I dropped to my knees.

I flicked my tongue over his helmet, licked down the shaft and played with his balls before taking his length in my mouth. He gasped that he’d “never been deep throated before.” He gathered a handful of my hair, leaned back and fucked my mouth until his pre-cum and my saliva ran down my chin.

“You are without doubt the dirtiest little slut I’ve ever met,” he said, spanking my arse.

“Please… please… fuck me, fuck me hard!” I yelled until he shoved his prick inside me, making me yelp with pleasure.

I was nearly screaming as I came, pushing back against his body, responding to every thrust.

He pulled out and shot his creamy load all over my red, stinging slapped arse.

Exhausted, I fell into bed, but I was too restless to sleep.

At around 2am, Luke, a friend from college messages me;

“Drunk and horny, you up for it?” The idea of fucking one guy straight after another turned me on so much that I sent back; ‘ALWAYS up for it. My place, 10 mins?’

When I opened the door we barely made it through the hall before he had my pert tits out of my top and was nibbling and pinching my nipples. I took his hand, leading him towards the kitchen, where he lifted me up and sat me on the worktop. He eased my pyjama bottoms over my hips and let them drop to the floor, revealing my shaven cunt. I shuffled forward and splayed my legs. “Mmmmm,” he sighed and buried his tongue deep in my hole, lapping at my lips, his tongue softly touching my clit. He

FESSIONS

> **"I THRASHED OUT MY SECOND ORGASM OF THE NIGHT WITH MY CUNT PRESSED AGAINST HIS MOUTH."**

lifted me down and he lay on the floor as I straddled him, lowering myself onto his knob.

He watched it slamming in and out of me as I rode him hard and fast. I was close to cumming again but I slowed down, teasing us both by rubbing his helmet on my clit before sinking down to take his whole length in me again.

I love giving head so I stopped riding him, take his knob deep in my mouth and raise my pussy over his face so he can lick me some more.

I love the taste of my cunt on his prick and that and his expert tongue has me on the edge again. I thrash out my second orgasm of the night, cunt pressed hard against his mouth as he shoots his juice in my face. I know he walked home happy that morning!

I jumped in the shower. It was 7am and Michael was due home from work.

I was just soaping my tits when Michael stepped into the shower.

He knew about Peter already, through texts.

"Poor pussy.... hard night," he laughs.

I ran my soapy hands up his cock, gripping and squeezing him as I tell him about Luke fucking me too.

Michael's face was a picture!

He thrust his huge dick into me in one stroke, ploughing hard and fast, my legs over his shoulders to feel him deeper as an enormous orgasm built in me.

"You are my third bloke in 12 hours, I am such a fucking dirty whore!" That does it both of us: we slam against each other, biting and moaning in a frenzy. My cunt contracts around him as I cum, jets of spunk pulsing in spasms into my very tender cunt.

I hope it turned you on hearing my story.

Ellen, Kent.

Nicole was more than just a bit excited about her first ever shoot for *Razzle*. "I knew that I would get super horny on the shoot, but I had no idea that I would get as wet as I did. By the end of it I was gagging for a stiff cock inside me, thankfully I had my trusty dildo to hand. It was amazing; I've never come so hard before. I think your photographer enjoyed the show too!"

STRAP DANCE

The other night, I went over to my girlfriend Thea's place. After a couple of drinks and a light dinner, she tied a black silk blindfold over my eyes and led me though to the bedroom. She laid me out on her big bed and pulled my legs wide open, and my body quivered in anticipation of her tongue against my slit. But she left me in suspense for few minutes and then I felt something much bigger bump up against my crotch. She felt her way up the front of my body, giving my tits a stroke and a squeeze. Then she pushed the blindfold up and off my eyes. I blinked against the light then looked down to see she was wearing a massive strap-on. It was like my girlfriend had suddenly sprouted a big, stiff cock and shaved balls instead of the tight, tasty pussy I loved licking so much!

Thea has always been good at roleplay and, when I started sucking on her dildo and felt up the bollocks, she acted like she did when I was eating her cunt. I tried to deep-throat it and didn't quite manage the whole length, but it felt like I had a giant, perfect dick in my mouth. I didn't even mind that it tasted different to the real thing – Thea likes wearing rubber and I've often gone down on her through her tight

> "I looked down to see she was wearing a massive strap-on!"

fetish panties.
Now she told me to open my legs for her again. I parted my legs and felt the tip of the dildo, hot from my mouth, bump up against my cunt. It looked enormous, bigger than any cock I'd ever taken.
But I was sopping wet from all the messing around we'd done and she lubed the whole length

my eyes, I could imagine I was taking it off a big-dicked bloke. Then I'd open them and see it was Thea again.
She fucked me in and out for a while, then stopped humping and ground up against me instead, angling herself so she caught my clit. Soon I was right on the brink of cumming my brains out.
She let me orgasm around the dildo, my fanny clenching and trembling until I was totally spent. I lay there for a moment, panting.
"Now it's my turn!" I said.
Katie, Ilford.

GYM BUNNY

As a woman in my twenties, I get a lot of attention off the blokes at the gym– and why not? I work hard at staying and looking fit!
One day I was on the exercise bike and this guy Andy was doing weights and I knew he was staring at my arse in between sets of lifts.
So, any time he paused, I'd started pedalling harder, wiggling my arse against the saddle.
"Worked up a bit of a sweat there?"
I said, a bit sarkily, and if he hadn't been red from the weightlifting and wanking, I reckon he'd have blushed all over.
I led him out to the corridor, had a quick look around then nipped into the sauna. There was an out of order sign hung on the door, so I guessed we wouldn't be interrupted.
Next up, I got my tits out of my top and he immediately started sucking on my nipples.
I dropped my trackies and knickers all in one, then shoved his head downwards – I'm maybe not as strong as Andy, but I pushed hard enough he got the message.
I leaned back against the door, to be sure nobody would just walk in, then I left it to Andy.
I let him take in the sight of me, then grabbed his hair and pulled his face in between my legs, spreading and angling myself so he could lick me.
He said he'd make me cum quicker and harder, so I used my fingers to splay my slit open. I can't fault how he went down on me, tonguing me frantically as I moved my crotch on his mouth.
I moaned so loud when he stuck his cock up me, I had to bury my face in his shoulder in case someone heard. Plus, I got even more horny when he stuck two wet fingers up my arsehole.
I started cumming, telling him to fuck me hard and not hold back. And then he started cumming too, filling my pussy full of jizz.
I teased him again, telling him I should have him chucked out of the gym for ogling, stalking and indecent behaviour. He actually looked worried for a second!
Cath, S. Wales.

With age comes experience, and Lacey Starr has got that in abundance. “You can never grow old of wanting to have sex,” Lacey told us. “In fact with every passing day I get the hornier and hornier, and what else am I supposed to do when my pussy is soaking wet? I fill it with whatever I can get my hands on, that’s what! And when it’s a real fleshy cock inside me I’ve been told many times before that I’m the best fuck that they’ve ever had!”

BAYLEY

The girls in Razzle don't come much cuter than 18-year-old Bayley! "I'm still very inexperienced when it comes to boys, I only lost my virginity on my eighteenth birthday and that was to my ex-boyfriend, who is still the only guy I've ever fucked. Now that I'm free and single I'm looking forward to adding a lot more notches on my bedpost. Hopefully appearing in Razzle will help my chances. I quite fancy the idea of having a much older man's dick in between my tight pussy lips!"

Like training in ballet, being an Razzle model is hard work, requiring stamina, dedication, and inappropriate behaviour from a mentor. April brought the first two, we supplied the third. “Hey, horny boys, I’ve got a boyfriend,” she trilled. “I never do anything without him watching – unless you want your nuts crackered!”

Lucky fucker

Summer & Rick

Lucky Fucker

“The cum jetted out into my open mouth before dripping down onto my boobs.”

Heaven knows when I first decided that I wanted to be a porn star, but I've always loved watching porn with boyfriends over the years, and having got bogged down career-wise, it seemed like a good idea. I'd get fucked good and proper by some serious studs, have some laughs, and hopefully make some money, too!

So I chose a name – Summer – and did some research into the industry, phoning up magazine editors, going online, that kind of thing.

I started doing topless pictures to show everyone the real me, sending them out to mags and producers. Some people think I'm sweet and quiet – and that's extra-frustrating when it's a bloke you want to fuck – but I figured that if I could look that way and still make it clear I was a dirty little slut at heart, I'd be swamped with job offers. Straight off, I felt really comfortable and horny doing nude shoots, so soon I was gagging to do hardcore.

Things really kicked off when the editor of Razzle hooked me up with a photographer for a solo shoot, and I mentioned wanting to give boy-girl stuff a go.

So the photographer called a mate of his, Rick, who does a bit of modeling and he turned up about an hour later.

He sat in on the end of my solo shoot, and he seemed to like what he was seeing. So did I – he was tall and fit but not too up himself, so I said I'd be up for posing with him.

It's fun, but obviously you get directed – the photographer tells you when to strip, how to pose, so he gets the shots he needs.

But that's a turn-on, too – inside I'm drooling over Rick, I just want to shag his brains out, but I've also got the snapper getting all dominant with me.

He's a good bloke and made it clear that I could call a halt at any time, but I turned myself on by imagining that I was powerless to resist his orders, no matter how far he pushed me.

It was like heaven and hell – my pussy juicing up as I got naked with Rick and played with his tool. Then the photographer would say cut and set up the next shot. He was impressed by how I was following his instructions to the letter, but my poor snatch was aching – it had never felt so empty.

Suddenly, the photographer got us doing fuck shots. This was it – I felt so nervous as Rick slipped his cock into my wet cunt, but then I came almost immediately! He felt my pussy tighten and flashed me a big grin, only to have the photographer tell us to focus on the job. We never got more than a few thrusts before we had to switch positions.

They were classic porn positions, geared towards showing off as much penetration

as possible. I've sometimes thought they looked a bit awkward when I've wanked off over DVDs, but fucking Rick… no matter how, just feeling that massive prick deep in my hole felt so incredible.

The fucking continued but so did the frustration – just when we'd got into the rhythm of doggy-style, He'd have to pull out and do me missionary. But even with all this stop-start, I was finding it harder and harder to hold back, to be professional. Of course, the shot every porn photographer needs is the cum shot so – finally – we were told to go for it. I had Rick on his back at the time, and he said later he though I was going to tear his dick off, I went at him so hard! I banged up and down on his stiff length, then rolled over so he could just pound into me hard, my fingernails clawing his back and arse cheeks so he'd do me full-force.

Rick looked like he was struggling but he kept control, until he felt me cum again, my hot wet cunt walls spasming manically around his shaft. He really didn't want to pull out with my cunt tugging on his dick like this, but he was under strict orders from the boss.

He grunted out loud, pulled back, then let me jack his prick right into my face. The cum jetted out, flying everywhere on my skin and into my open mouth before dripping down onto my boobs. It's something I wouldn't normally do in my private sex life, but it felt deliciously whorish and fun.

Then the photographer finished off with a set of me messing around with the spunk, close-ups of my just-fucked snatch dripping with all sorts of fuckcream.

Finishing up afterwards, with everyone showering and dressing, it seemed a bit surreal. I asked the guys – maybe a bit shyly – had I done OK, and they both said, shocked, "Are you serious?" Rick said he'd been blown away – he'd actually asked the photographer if this was really my first time on camera.

Now I feel like there's no stopping me. To have two porn professionals tell me I've got what it takes to be a hardcore screen slut just makes me want to go for it even more. I want to work with Rick again, but I'll fuck or suck any dick on screen – and eat any pussy, though maybe I need to practice that in private first!

I want to try it all – group fucking, anal, anything. And I hope to be getting blokes hard all over the UK, if not the world! Just watch this space! I'll never forget Razzle which started me off though and I'll always have time for their readers. Maybe when I'm famous I can come back and do a gangbang with the readers!

Hefty Nicky uses her boobs to devastating effect at dogging sites. “I take on all cummers at a car park somewhere in Manchester, I can’t say exactly where though! My boobs are famous and men turn up from miles away to grope them, suck them and fuck them. My best shag recently was spread on the bonnet of my Ford Fiesta, a cock in my pussy, one in my mouth, and two men tickling my nipples!”

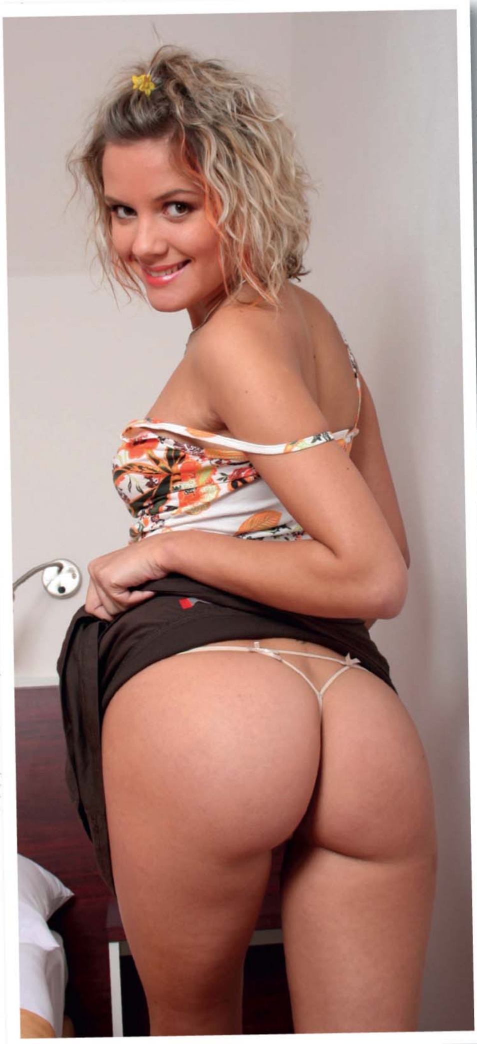
HOT SEXY SHOWTIME!



My man is always at work but I keep him (and me) satisfied with a sexshow on his office webcam.

Last time, I greeted him normally, just my face at first. Then I adjusted the camera to show him the big dildo I had stuck in my snatch.

I saw him draw in a deep breath and asked if he was on his own at work. He said yes, for about the next hour, so I told him to get his cock out.

I watched him stroke his shaft to stiffness for me, sighing as I imagined his knob getting rigid in my hand or mouth – it was like I could taste it.

On the little inset picture I could see what he was seeing, my creaming cunt getting all stirred up by my toy.

Then I got a vibrator and touched it to my clit. It felt intense, the fake dick. I started cumming and I couldn't stop, until I finally pulled the vibe off myself, and the dildo out, slapping it in between my horny, swollen boobs.

I told him to look how horny, how wet the sight of his prick was getting me, and told him to wank it faster. The movement looked a bit shaky on my screen, but his big pole was making my clit throb all over again.

He told me to get the dildo back in my cunt, to fuck it like I'd fuck his cock. I asked if he could see how I was getting tighter, how the juices were streaming out of me now. I told him to grip his cock tight, to think how it felt when I was cumming so hard around it he couldn't hold back himself.

Soon we were finding it hard to talk, so we just watched. My cunt was pulsing and sucking on the toy, while Dom's fat helmet was throbbing in his palm. Then he started to cum – I saw him lose his mess all over the desk, shooting harder than usual so he had to clap his hand over his helmet to catch the rest of it. Then he showed it to me, said if he was home he'd get me to lick it off his fingers.

I did the next-best thing, pulling the dildo back out and slurping the juices off every inch of that instead.

I told him to call me when he was on his way home, so I could be wet and ready for his cock.

He came in to find me playing with my toys and told me to spread my legs for the real thing.

He fucked me hard before I took his cock in my mouth.

My tongue-flicking and lapping away were too much for him to take for long, and soon I got a big salty blast in my mouth.

Now he goes to work with a spring in his step, knowing he gets an hour of sex play every lunch break!

Nicola, N. Ireland.

"I've got a bit of a reputation in my home town in Wales," Penelope tells us. "It appears that after all of the practice I've been getting with the local lads all of the girls have labeled me as the town slag. It doesn't bother me though because I love fucking guys and I don't really like girls anyway. I prefer to be the submissive one when it comes to sex, I let the guys do whatever they want to do to me, there are no limits. My favourite thing is probably having my hands tied behind my back and having my mouth fucked."

If Chewbacca read *Razzle*, his Wookie willy would be firmly pointed in the direction of Rachel's nether regions! "What can I say, my husband digs a hairy pussy and bum hole, so I've just let it go! As long as he's happy and wants to fuck me I couldn't care less."

Naughty Maids

There's plenty of feather dusters on lose, though what their correct use is here we couldn't say, as Private go all out to get the place spick and span, or rather spunk and bunked when we finally realise this wasn't a video guide from Good Housekeeping. Those of you who thought you'd be receiving tips from Mary Berry on how to freeze muffins look away now, or possibly don't if you wish to receive tips of another nature, as these ladies sure know how to clean each other out. With plenty of girl on girl action and anal pounding to be admired, no spot is left unturned in their carnivorous carryings on. So for some dirty devils look no further than Naughty Maids, pity their not in the Yellow Pages.
